The Beginner's SOAP Bible Study Journal

30 days in the Gospels, one simple method, room to write.

Thomas Brierley

Welcome

This journal is for anyone opening the Bible for the first time, or the first time in a long time. You don't need to know anything before you start.

Each day, read one chapter from the plan, then fill in one journal page using the SOAP method on the next page. It takes about 10 to 15 minutes.

Miss a day? Just pick up where you left off. This is not a race.

Where Christians hold different views on a passage, that's normal. Write down your questions and bring them to a pastor or a small group at a local church.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119:105, KJV

The SOAP method

S

Scripture

Read the chapter slowly. Then copy one verse that stood out to you, word for word.

O

Observation

What do you notice? Who is speaking, to whom, and what is happening? Write two or three things.

A

Application

What does this mean for your life today? Keep it small and specific.

P

Prayer

Write a short, honest prayer in your own words about what you read.

Keep going

You finished 30 days. That's a real habit. Here are three simple next steps:

- Finish the Gospel of John (chapters 15 to 21), one chapter a day.
- Read one Psalm a day for a month, and use the same SOAP pages.
- Find a small group or Bible study at a local church, and bring your journal.
